

The Beauty of Ear Piercing

with the World's Safest & Gentlest Ear Piercing System

Ear piercing with Inverness is:

- a high-margin service with low start-up costs
- a way to drive new traffic and build a loyal customer base
- non-seasonal with consistent demand year-round

The safe & gentle Inverness system is easy to learn and execute for your staff. We offer complete training and product support. Contact us to learn more! [CONTACT INFO HERE](#)
